# INTRODUCTION

A circular inset image showing a woman with blonde hair smiling and holding a young child with brown hair and a red bow. The child is laughing with their mouth open. The background of the entire page is a blurred image of the same woman and child.

Truck accidents are terrible. If you have been in one, you likely know immense pain. We are sorry you have to deal with that, and we want to help. We can fight to get you the results you deserve. Call us right away for a free consultation.

In the meantime, avoid making these 4 simple mistakes in your truck accident case.

# ***1. NOT COLLECTING EVIDENCE***

A Black man with short, curly hair, wearing round sunglasses and a dark jacket with a white fur collar, is smiling and holding a silver smartphone in his right hand to take a photo. He is also wearing a black glove on his left hand. The background is a blurred brick wall. The entire image is framed by a large, semi-circular white border.

*Truck accidents have a ton of evidence. There is a black box in the truck that your lawyer will want. You also do not want to leave the scene without reporting the accident. Make sure to take pictures and call the police. We want as much evidence as you can get.*

## 2. AVOIDING SEEING THE DOCTOR

Not seeing the doctor is a mistake. In fact, you should get to a doctor immediately. Truck accidents more often than not end in emergency injuries. You need to get yourself looked at right away. Go to the ER if you have to.

A man with brown hair, a beard, and black-rimmed glasses is smiling and talking on a silver smartphone. He is wearing a light blue button-down shirt. The background is a light blue circle on a grey background.

# **3. GIVING THE INSURANCE REPS A STATEMENT**

*It's a big mistake to give the insurance company a recorded statement. They can trick you into saying something that hurts your claim. Let a lawyer talk to them for you.*

# 4. NOT HIRING A LAWYER

A man with short brown hair and a beard, wearing a grey suit, light blue shirt, and blue striped tie, is smiling. He is positioned in the center of the frame, with a circular graphic element behind him. The background is a blurred cityscape.

*You may think you can do this on your own. The truth is you could, but you likely won't get the results you deserve. The insurance company has tricks to help save them money and lower your compensation. Our lawyer knows their tricks and can help you get the compensation you deserve.*

# CONCLUSION

A man with a beard and dark hair, wearing a white button-down shirt, is smiling and looking towards the camera. His right hand is raised with fingers slightly curled. In the background, a woman with blonde hair and a man in a light blue shirt and dark tie are also smiling and looking towards the camera. They appear to be in an office setting with a wooden desk and a blue folder visible.
